No. 12-0598

**INTERVENOR ALTERNATE ROUTE PROPOSAL OF ANDREW ROBINETTE**  
**AND**  
**STACY ROBINETTE**

In accordance with the Case Management Plan issued by the Administrative Law Judges on December 14, 2012, intervenors and Morgan County landowners, Andrew Robinette and Stacy Robinette (collectively "Robinettes"), by their attorney, Kevin N. McDermott, hereby submit a proposed alternative route for the 345 kW transmission line proposed by Ameren Transmission Company of Illinois ("ATXI") in the above referenced proceeding. In support of this alternative route, the Robinettes state as follows:

- 1) The route preferred by the Robinettes is ATXI's Primary Route.
- 2) In the event that the ALJ's and the Commission determine that ATXI's Meredosia to Pawnee Alternative Route should be utilized, the Robinettes propose that ATXI's Meredosia to Pawnee Alternative Route, in the vicinity of Waverly, Illinois and near the intersection of Panhandle and Delong Roads, be modified so that ATXI's Alternate Route runs diagonally and in a southeasterly direction from the intersection of Panhandle and Delong Roads to Nortonville Road (versus the southerly direction to Nortonville Road as proposed by ATXI). This proposed change to ATXI's Meredosia to Pawnee Alternate Route is depicted on Exhibit A attached.
- 3) The names and addresses of the landowners that would be impacted by this proposed modification to the Alternate Route are set forth in Exhibit B attached.

DATED this 13th day of February, 2013.
